OBITUARY.

Be still prepared for death and death or life shall thereby be the sweeter.—Shakespeare.

Thomas Samuel Wilson was born in the year 1837 at Houghton, Ont., where he spent his boyhood days and grew to manhood. In 1862 he wedded the woman of his choice, Anna Loucks, at Waukegan, Ont. Nine children were born to this union, seven of whom are now living. They are Emory, of Portland, Ore.; Thomas at Marlette; Mrs. Sarah Julian, East Tawas; Burley, of Melvin; Charles, Stanley and Myra, of Port Hope. All of the children were here at the funeral except Emory.

Mr. and Mrs. Wilson came to Michigan in 1879 and settled on a farm 1 1/2 miles west of Peck where they resided for four years, then moved to Melvin and he worked at his trade of shoemaker for nine years. In 1891 he came to Yale and engaged in the furniture business continuing in this line of trade until about three years ago when he sold his stock to the Newell Furniture Company. March 5, 1906, the wife and life-long partner and helpmeet was taken from him by death. Soon after he went to Port Hope and resided with his two sons and daughter.

Last Thursday morning while on a visit to Yale friends and neighbors deceased was stricken with paralysis and passed peacefully away Sunday morning Nov. 10th, at the home of Mr. and Mrs. Grant Holden. The funeral services were held from the house Tuesday afternoon at 2:30 o'clock and were conducted by Rev. R. O. Lawrance pastor of the M. E. church. A short but impressive sermon was preached from the text "And we all do fade as a leaf" Isaiah 41:4.

The interment took place in the family lot at Elmwood cemetery alongside the body of his wife.

Mr. Wilson joined the Methodist Episcopal church 31 years ago and lived a life consistent with that faith to the end.

The children desire to tender their heartfelt thanks to all the neighbors and friends for the assistance rendered and sympathy shown during the short illness and after the death of their beloved father. Also to the members of the M. E. choir for the beautiful words sung at the burial service.

HERB WELCH MAY DIE.

In a letter to Anthony Welch from his daughter, Mrs. Ward, of Los Angeles, Cal., she informs him that his son Herb attempted to commit suicide by the bullet route on Monday morning, Nov. 4th, 1907, in the Hiawatha rooms, 120 North Broadway, in that city. The bullet went through the body and the doctors are of the opinion that the spinal cord is pierced, as he is paralyzed from the region of the heart down, and say if such is the case he cannot live. She says the physicians would operate on him, and if the bullet is only lodging against the spine and can be removed he may recover.

The Los Angeles papers say that he will not tell the reason why he tried to kill himself except to say it was over a woman and that he would carry her name with him to the grave.

Herb's many friends here are anxiously awaiting further news and hope the operation will help him and that he may recover.

A PEACE-MAKER.

In the circuit court this morning Mr. and Mrs. Lossey went down from the presence of Judge Law, a peace-maker, happy in the experience that their divorce contention had been dismissed. The case had been very vigorously prosecuted during the early part of the week, and considerable bad blood engendered, though no serious accusations were proven to have a foundation.

Blessed are the peace-makers—Port Huron Daily Times, Nov. 9.

Babies and children need prompt attention when suffering from coughs and colds. The best remedy for mothers to use is Kennedy's Laxative Cough Syrup. It tastes nearly as good as maple sugar, it contains no opiates, and it is laxative and drives the cold out of the system by gently moving the bowels. Sold by Mathews & Wight.

FIRST LECTURE.

The first number of the High School Lecture Course will be given Saturday evening, Nov. 23. Col. Ham is sure to give us a rare treat and we most sincerely hope that the people of Yale will turn out and give him a full house. We trust that the good people of our city will bear with us and make the best of the circumstances that two of our numbers come on Saturday evening. I could not arrange for the course until early in September and then had to take the talent we wished on the nights still open and when each would be in this part of the country. Colonel Ham speaks in Caro Friday evening and comes to us from there. Forget that it is not a night that would please you better and give him a welcome that will call forth his best.

We believe that we are offering to the students and citizens of Yale and vicinity a course of entertainments that will please, entertain and instruct; and one that is worthy of the fullest patronage. Buy season tickets and attend them all if possible. If you hold a season ticket, two persons will be admitted to each number until the equivalent of five numbers have been used. All numbers will be held at Central Hall and will begin at 8 o'clock p. m.

Reserved seats on sale at Pollock & Hennessy's Drug Store at 7:30 o'clock on the Monday evening preceding the date of each number.

MOVING PICTURE SHOW.

Messrs. C. N. and S. M. Leonard, of Detroit, opened a series of moving picture entertainments in Central Hall, Yale, last Monday and Tuesday evenings, and will continue the performances each week during the entire fall and winter season if the patronage will guarantee it.

The entertainments already given were well patronized and we hear nothing but words of commendation in the way it is conducted. The program consisted of motion pictures, illustrated songs and other features, and will change weekly.

It is the cleanest kind of a show, not an objectionable act in it and is the proper entertainment of the day.

You may go in at any time you please and always see a complete performance. Be sure and attend next Monday and Tuesday evenings. It will cost you only a dime and you will be well repaid for your time. Show runs from 7 until 10:30 each evening.

CHOIR DISTURBS MEETING.

Rev. Sam Bettes, the St. Clair county cowboy preacher, last week struck Hazelton, Indiana, and in the evening preached at the General Baptist church. During the sermon the members of the choir, three young men and three young women, persisted in chewing gum. In the middle of his discourse the preacher deserted his text and centering his attention on the choir roasted the boys and girls whom he said had disturbed him by excessive chewing of forbidden gum. The next morning he applied for a warrant for the arrest of the three young men on the ground of disturbing a religious meeting.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by Pollock & Hennessy.

Any good doctor will tell you that a medicine like Ayer's Cherry Pectoral cannot do its best work if the bowels are constipated. Ask your doctor if he knows anything better than Ayer's Pills for correcting this sluggishness of the liver.

SUES HER BROTHER-IN-LAW.

Mrs. Hannah Mandeville has brought suit in the circuit court against Hiram Mandeville, a brother-in-law to recover certain money and stock claimed to be held by him. Mrs. Mandeville states that her husband, David Mandeville, died Nov. 27, 1890, leaving to her a farm situated in Lynn township. In 1899 she claims that Hiram Mandeville came to Lynn township from Armada to live with her and work the farm. She now wants Mandeville to explain to the court and give account of his transactions while on the farm. Judge Tappan this morning issued an injunction restraining the defendant from selling or disposing of the property.—Port Huron Daily Herald.
